A New Spirit
of Service
At Work for You!

When convenience counts . . .

If you want to trim time from the inconvenient routines of paying by mail or in person, take a look at the Automatic Payment Service from GMWSS. Fill out one form, and the GMWSS Automatic Payment Service makes monthly payments a snap! ■

What advantages does the GMWSS Automatic Payment Service Offer?

With no checks, no postage, and no travel, you will save time and money. And there's no chance of a late charge caused by a timing oversight! ■

How does it work?

On your normal billing cycle, GMWSS sends a copy of your bill. The copy shows the same complete information that appears on all bills: amount due, due date, water consumption, billing period, and other details about your service. All you have to do is look at the

due date to know when GMWSS will draw the amount due from your bank. Nothing could be easier! ■

How will I know that my bill has been paid?

Your automatic payment to GMWSS appears on your monthly bank statement as a debit - just like a check would. It will be listed in much the same way as a direct deposit, automatic teller transactions, or other automatic payments you've arranged for loans or insurance premiums. ■

What if I disagree with the amount of my bill?

The solution to any problem with your GMWSS bill begins with a call to our office at 863-7816. If you want to stop the Automatic Payment Service, just say so! ■

What happens if there isn't enough money in my account?

Even the best of customers bounce a check sometimes, and

GMWSS is prepared for similar situations with the Automatic Payment Service. Your bank will notify GMWSS in writing, and we will initiate the same process used for any "insufficient funds" check. ■

Can I change my mind about using the Automatic Payment Service?

No problem! Just stop by our office and sign an ACH termination.

How do I get started?

Read the attached authorization form, then fill out. Be sure to attach a voided check. Mail both to GMWSS, Attn: Customer Service Rep. P.O. Box 640, Georgetown, KY 40324

It will take about 30 days to process your authorization, so use your normal approach for paying GMWSS until the first bill copy arrives. That's when the Automatic Payment Service is active.

More questions? Contact any customer service rep. at 863-7816 or visit our web site GMWSS.com for more information about saving time and money with the GMWSS Automatic Payment Service!
