

GMWSS
POSITION DESCRIPTION

Class Title: Wastewater Treatment Plant Operator II

Department: Operations / Wastewater Treatment

Supervisor: Wastewater Treatment Plant Supervisor

Supervises: None

Class Characteristics: Under general supervision, assists in the daily operation and maintenance of the wastewater plant; performs related work as required.

Distinguishing Class Characteristics: With the recommendation of the Wastewater Plant Supervisor and approval of the Operations Manager and General Manager, employees in this class may be assigned additional duties and responsibilities (i.e., laboratory technician, maintenance technician, pretreatment program coordinator, etc). Upon assignment, employees shall receive additional compensation for the duties and responsibilities as long as they perform the duties and responsibilities.

General Duties and Responsibilities:

Essential:

1. Assists in the daily operation and maintenance of the wastewater plant, including the treatment of wastewater in compliance with established procedures and standards and federal and state laws and administrative regulations.
2. Assists with inspection and/or monitoring of pumps, charts, gauges and meters daily.
3. Assists with collection of wastewater samples and conducting lab tests; adjusts chemicals and/or equipment as necessary.
4. Adds chemicals in accordance with prescribed standards.
5. Assists with preparation and maintenance of accurate reports/records.
6. Assists with forwarding wastewater samples and reports as required.
7. Assists with performing preventive maintenance programs on plant and equipment; makes minor repairs and/or adjustments on plant and equipment; forwards requests for major repairs and/or equipment and tools to superiors.
8. Assists with maintaining adequate inventory of spare parts, chemicals, equipment and tools.
9. Assists with maintenance and cleaning of plant and grounds.
10. Assists with maintaining inventory of spare parts, chemicals, equipment and tools.
11. Attends training programs to obtain license at each level after meeting experience requirements.
12. May be assigned additional duties and responsibilities on a continuing basis (see Distinguishing Class Characteristics above).
13. Assists in other departments/divisions when needed.

Non-Essential: Receives all telephone calls to main office after office is closed; in

case of emergency, calls out maintenance crews and act as dispatcher if needed.

MINIMUM QUALIFICATIONS

Training and Experience: Graduation from high school or equivalent supplemented by work experience and/or education acceptable by the Kentucky Natural Resources and Environmental Protection Cabinet to have received Class II Wastewater Treatment Plant Operators License. Promotion to Wastewater Treatment Plant Operator II is subject to the recommendation of the Wastewater Treatment Plant Supervisor and approval of the Operations Manager and General Manager.

Special Knowledge, Skills and Abilities:

Knowledge:

1. Thorough knowledge of wastewater plant operations.
2. Thorough knowledge of federal, state laws and administrative regulations pertaining to wastewater treatment.
3. Thorough knowledge of functions, servicing and maintenance requirements of mechanical equipment and machinery.
4. Thorough knowledge of and ability to comply with safety regulations and standards.

Abilities:

1. Ability to detect mechanical flaws and make minor repairs to plant and equipment.
2. Ability to collect samples and perform lab tests.
3. Ability to assist with maintaining preventive maintenance and servicing program on plant and equipment.
4. Ability to prepare and maintain accurate reports.
5. Ability to assist with maintaining inventory of chemicals, spare parts and tools.
6. Ability to establish and maintain effective working relationships with officers, other employees, and the general public.
7. Physical ability to perform heavy labor for extended periods of time, often under adverse weather conditions.

ADDITIONAL REQUIREMENTS

Instructions: Instructions are detailed and specific, covering all aspects of the work; instructions are more general after the employee learns each job.

Processes: Work varies slightly and seldom required to take different, new or unusual approaches in completing work assignments.

Review of Work: Most completed work is reviewed until the employee learns each job.

Analytical Requirements: Problems require analysis based on precedent.

Physical Demands of the Job: Work requires sitting at desk with intermittent standing, walking, stooping; must lift objects over 25 pounds; some work is performed outdoors regardless of weather conditions; must operate vehicle and equipment; required to be in high places; must use stairs and ladders as a job requirement.

Tools and/or Equipment Used: Vehicle, mower, mechanical tools and equipment (hand tools, power tools, etc.), laboratory equipment, normal office equipment (phone, computer, calculator, etc.), computerized chemical feeders, safety equipment, vehicles.

Contacts: Occasional contacts with the public and employees or supervisors from other departments/divisions.

Confidential Information: Little or no use of confidential information.

Mental Effort: Light/moderate.

Interruptions: Few.

Special Licensing Requirements: Must possess and maintain a valid driver's license.

Certification Requirements: Must possess and maintain a Class II Wastewater Treatment Plant Operators License issued by the Commonwealth of Kentucky; must obtain Class III and Class IV license within one year after meeting experience requirements at each level.

Drug and Alcohol Testing Requirements: Must participate in mandatory drug and alcohol testing as a condition of employment and continued employment in the class.

Additional Requirements: Must be able to respond to emergency situations at all hours.

Overtime Provision: Non-exempt.
